

## Home Learning Letter 2 31/03/20

### To all pupils at Annan Academy

We hope you are keeping well and getting into a new routine. All your teachers have been working hard to make sure that your learning can continue whilst school is closed. It's important to us that you access your home learning and stay in touch with school either through Teams or GLOW email.

### How do I access my home learning?

There have been difficulties with Microsoft Teams because of the volume of users around the world. So while we will continue to use **Teams** some subjects are also using the **Annan Academy Tile** which you can find on your Glow Launchpad .

The screenshot shows the Glow Launchpad interface. The top navigation bar includes 'Launch Pad', 'App Library', and 'Management Console'. The main area displays a grid of app tiles. Two callout boxes are present: one labeled 'Microsoft Teams' with an arrow pointing to the Microsoft Teams tile, and another labeled 'Annan Academy Tile' with an arrow pointing to the 'School Site' tile. The 'School Site' tile features the Annan Academy logo and the text 'Dumfries & Galloway Council'. Other visible tiles include Mail, OneDrive, Yammer, SharePoint, Education Scotland, The Moderation Hub, and SQA.

We have put two short videos onto the school website and Facebook page which show you how to access Teams and the Annan Academy Tile on your Glow Launchpad.

### What if I forget my GLOW login details?

If you forget your password, we will need to speak to a parent or carer to re-set it. Please contact us and leave a number we can contact you on:

## Senior Phase Pupils

If you are in S4 – S6 then many of your courses of study will have finished. If this is the case you can carry out reading, research and access past papers on the SQA website for any courses you intend to study next session.

## New Timetable

We are working hard behind the scenes to complete the timetable process for next year. Please check your Glow email regularly as we will use this to contact you with any options changes. Please contact Mrs Speight if you have questions about your options for next year: [gw08speightsusan@ea.dumgal.sch.uk](mailto:gw08speightsusan@ea.dumgal.sch.uk) When this process is complete we will set up your new classes and start setting preparatory work for your new courses.
